

About

Cordele-Crisp County Industrial Development Council

Cordele-Crisp County offers residents a variety of lifestyles in a growing and progressive community. Crisp County's Quality of life provides the best in educational, recreational and cultural opportunities in order to accommodate both the corporate executive and his family.

- Easy access to all major southeastern U.S. markets with a unique combination of interstate, rail, and air facilities
- I-75 and the four-lane Georgia-Florida Parkway (GA 300) provide direct access to the fastest growing regional market in the country.
- The only Georgia community located on I-75 served by three major railroads: CSX, Norfolk Southern and the Heart of Georgia.
- Modern Airport possessing two 5,000 foot runways adjacent to I-75 handling corporate jet aircraft

Mission Statement

The mission of the Cordele/Crisp Industrial Development Council, Inc. shall be to assist in the retention of existing jobs and to foster employment opportunities that raise the per capita income of area citizens by assisting new and existing business and industry to locate and/or expand in Crisp County.

Commitment Statement

To accomplish its mission, the members of the Cordele/Crisp Industrial Development Council, Inc. commit to maintain a harmonious and cooperative working relationship between all its public and private sector representative members in order to fully utilize their collective resources in increasing employment opportunities for area citizens.
